# Miss NARC&SP

*August 2011*

I want to start off by saying how amazing the association looked in the Burleson 4<sup>th</sup> of July Parade. Eddie, Bobby, and I had our picture on the front page of the Burleson Star. Congratulations on winning “Best Farm Entry”! Eddie, Kelli, Bobby and I had a good evening at the ceremony where we accepted a plaque for our award!

I have to say that this past week’s pony express will go down in history for having the slowest times ever. There were only 3 timed teams and one junior team, so everybody just took it slow and had fun. Huge thanks to David and Sue Short for loaning my sister and I their horses (Mr. Jack Frost and Miss Jill)!

I will be on my Cruise from July 24<sup>th</sup>- July 31<sup>st</sup>, but I will miss everybody while I am gone. I am looking forward to the 50/50 challenge on August 6<sup>th</sup> when I return.

The Queens playday will be August 20<sup>th</sup>, so everybody come out for a good time! We will begin at 11am and pause the playday at 5pm to auction off the queen’s baskets. I look forward to seeing you all there!

Till Next Time,

Miss NARC&SP 2011

*Jessica Fulford*

## WRANGLER ARTICLE

We started July off with a real bang at the Fourth of July Parade in Burleson. We won an award and made the front page of the Burleson Star!!!!

This month began with pony express and man was it hot. But the races went quick because we had no half time and the teams ran back to back. I would like to apologize for my dress attire while judging the back half of the arena, I had only planned to water the arena not judging in my shorts, t-shirt, and flip flops.

Unfortunately I missed the scholarship playday and I'm sorry that I did. Eight friends and I go on an annual trip before school starts back up and it was really nice for the whole gang to hang out for the weekend. We had a blast and it was the first time all summer we were all together. I did hear that the playday went really well and everyone had fun. Good job Katie, I am sure you were really busy combining Queen and Scholarship responsibilities.

This month did end with a bang though as all of the royalty pulled out our best dance moves and put on a great competition as well as entertainment. I guess it's true when people say hard work pays off, after Katie and I won the first part of the competition by only one point. Then we won the final round with a perfect

score. We barely beat Tyler, Cade C., Cade B. and their partners, who really gave us a run for our money. I would like to congratulate everyone for showing up and giving it their all. I know I have a lot of fun preparing, performing, and watching.

I would like to especially thank Mary Little for helping Katie and I out with our last dance.

Thank you to all the parents that helped plan and prepare the meal that we all enjoyed. Although I did not eat before the competition I did eat plenty when I got home and it was delicious!!!!

Congratulations to our smoker winner Betty Lee!!! Thank you to all that made that a success as well.

Last but not least I would like to say,  
"Cassie thank you for your support and patience  
while Katie and I prepared for the Dancing with  
Royalty". Cassie helped me learn new flips and  
moves and they did not always turn out so good.

**Wow, thirty straight days of 100 degrees in July 2011 and little to no rain in sight. My prediction is the rain will hold out until we are running Finals Labor Day weekend. The 50/50 Playday has been cancelled for 2011, due to the excessive heat.**

**We have our last Pony Express tournament, for the year this month. Colten and I spent the day putting water on the arena and when we were finished he said "you cannot even tell we have been out here all day". A meeting was held before the July races and the teams voted to not run in August. You may pay, and turn in your roster, for your August race so your team has three paid races to be able to run at this year's Pony Express Finals. Miss N.A.R.C. & S.P. Jessica Fulford and N.A.R.C. & S.P. Wrangler Bobby Nolen did not let the heat stop them from dressing up and enjoying introductions before the races started.**

**Good job Miss Katie Gray on hosting the 2011 Scholarship Playday at Joshua arena. The arena looked great and ran well all night long .You did a great job earning over \$500 for the Scholarship committee. Katie, you did a perfect job filling in as Miss N.A.R.C. & S.P. for grand entry and the awards presentation. You looked great.**

**We had another successful Dancing with Royalty this year. It was an honor to see seven teams of our youth as they competed for the 2011 Mirror Ball trophy. Way to go Wrangler and Queen Committees on working together to make the event such a success. Congratulations to all that participated in the dance contest. Way to go Bobby and Katie (filling in as Miss N.A.R.C. & S.P.) on taking home the trophy this year. I know you will both cherish the memories of the competition and the practices for a long time. It was the second time this event has been hosted and if you have made it out to watch the kids I believe you would say the dance has become an event that you do not want to mess. We get to witness dances to country, rock and everything in between. Thank you to all members that came out and cheered for the dancers.**

**Please support our August 2011 National function August 20<sup>th</sup> 2011 Queens Playday which will be hosted at Joshua's arena.**

**Good luck to all at National Finals September 3<sup>rd</sup>-5<sup>th</sup>, Labor Day Weekend. Entry fees are due August 20<sup>th</sup> 2011.**

**Feel free to call or write me if I can be of any help.**

July 28, 2011

Hello Members,

After much conversation with the American Association it has been concluded it would be in the best interest of all parties involved to cancel our 50/50 Playday which is scheduled for next weekend, due to safety and health issues for members and our animals. The temperatures are at an all time high and this Playday was created for fellowship and **FUN**.

The American Association has proposed rescheduling the 50/50 Playday in April 2012. The event would be in conjunction with their Spring Roundup which pulls around 60 riders, usually. It would allow us both to have good fellowship time and make a fair portion of money to split. The weather should not be over 100 degrees! We can discuss in detail at a later date, such as our October convention.

I would like to thank all individuals that planned on attending our 50/50 Playday to help support the N.A.R.C. & S.P. retain our trophy and title.

I have received the sheet for Stall and RV rentals which will be sent via mass e-mail; as well it will be in our Horsetales issue for August.

I look forward to seeing everyone this Saturday as we enjoy "Dancing with Royalty" with the youth of our Association.

Thank you all for your time and patience. Feel free to call or write me anytime.
