

Happy Mother's Day

**NARC & SP

Miss NARC & SP 2010

I hope everyone had a Happy Easter! I know I did thanks to District 10. The rain almost got us but with only a few hours of delay the playday got off to a great start. Thank you Laura for the beautiful wooden flowers you gave me. I think the most fun I had was not hiding the eggs, but watching the kids find them.

I had to take my ACTs on April 10th, and did not get out until 1 o'clock. I went to the Cherokee Playday and was able to run the last 4 events at their high point trophy playday. Congratulations to all the high point trophy winners. If I hadn't missed two events I would have caught ya Shannon! Lol. Thanks to Danny and Dee Scarbro I now know my horse Kat can turn the pole in pylon with the cones at ½ the normal width at the pole. She ROCKS!!!!

On Friday the 16th of April I was rushed out of school and hour early, quickly went to walmart for supplies got home and loaded everything in the nick of time to make it up to Bowie for the 2010 AASP & RC Spring Round up only for it to start RAINING 10 minutes before my barrel run. So unfair! I still made my run in the rain and was lucky enough to place 1st in the 2D. My mother and I stuck out the rain in our leaky roofed horse trailer until the arena chairperson called off the team playday at noon the next day. Fortunately the dinner was still on! So my mother and I did not have to stay in the rain waiting for the dinner Wendy Vann and Sidney Grisham were kind enough to open there home to us for those few hours and then let us stay the night with them. What great friends!!! Refreshed and with all our glam Sidney and I returned to the dinner for a fun filled night. The American Queen Joy and I even emerged with a secret handshake that we will recite after she and her president Donna return our trophy to Kim and I at 50/50.

I am looking forward to being at District 5 on May 1st at Willow Creek. Thanks Wendy and BJ for the invite. Also, coming up on May 22nd is the Annual Chisholm Challenge Benefit playday and I hope to see everyone one there!

I am having a blast being this association's queen!!!!!!

Christina Manasco

Miss NARC & SP 2010

NARC & SP Wrangler 2010

Hey everyone, man that was a lot of rain the other day! Our creek even flooded! However, the flood did clean the creek out so we can use more of it to ride in and that's always a good thing! Now on the not so good side of what the rain did, it made everything all muddy and gross! Not very nice! But I know that not every one really cares what side effects we had with the rain, so on to what I did this month.

This month I got to be in a passion play with Rick and Tonia Mhore in Keen over Easter weekend which was really fun! There were around two thousand people who came to watch and we got to dress up as mounted Roman soldiers and wear all the soldier attire like a helmet and shield. We even got swords. I had a blast on my draft horse Tess, and the rest of the family rode in it as well, even Johnathon and Mattie Fletcher!.

The next weekend, after I recovered from my long day as Roman soldier, I attended the second D9 playday of the season. Man they sure fly by, I can't believe we're already half way done with our playdays for the season! Anyhow, it was another beautiful day for a playday and I even got a little sun. Unfortunately I lost my wallet while we were there and I was freaking out because I couldn't find it, and really how do you lose your wallet at a playday? So as I'm freaking out, I later learned that my wallet was not really lost it was jacked by some friends as a joke. I didn't think it was very funny but they sure did. It was eventually returned to me through a long, and my I add, sneaky chain of theirs starting with Kenneth Fletcher and ending with my mom! Betrayed by my own mother...I see how it is!

That joke behind me I am looking forward to going to go to the Trail Ride in Blum this weekend. Unfortunately my dad ran off with the truck last Sunday when he left to go visit a church in Fort Worth, and since he was going to church he turned his phone off and could not be reached!! So we were not able to attend the trail learning day so that Saydea, Gail and I could be trail bosses. However we will still be attending it and are looking forward to spending time on the trails!

If I don't see you in Blum I hope everyone gets some good hay from all this rain since it made everything else nasty, and have another great month!

Your Wrangler,

Trevor Bontke

"Horsemanship, Sportsmanship - Hand 'n Hand"

As a result of the very soggy start for this year, we have a very packed schedule of events for the month of May. We have Districts, the Parade and Drill Team Playday, Pony Express, the Chisholm Challenge Playday and the Memorial Day Trail Ride. With all the open playdays also scheduled throughout the month, we should all get our fill of riding.

Holly has already tried twice to have the Parade and Drill Team Playday and has been rained out both times. She is trying again 11:00 AM, May 8 at the Joshua arena. Get your team together, again, and come support our Parade and Drill committee.

Pony Express will, again, try starting the year 12:15 PM, May 16 at the Joshua arena. It should be an exciting year. Extreme music will be tried at the tournaments and I understand we will have a lot of extreme teams. Come on out. We need extreme riders and extreme spectators.

May 22 at 11:00AM, the Chisholm Challenge Playday will be held at the Joshua arena. This charitable event, sponsored by National Association, benefits special needs riders. Beth Podell has done an excellent job of coordinating this event but everyone's participation is needed to make it a success.

If the old saying about April showers brings May flowers is true, we should have a very scenic trail ride this Memorial Day weekend at Camp Crucis in Granbury. The two hour trail ride begins at 10:00 AM followed by lunch, a bounce house and swimming at the camp's Olympic size swimming pool. Areas for volleyball, basketball and fishing are available. The Camp Crucis Riding Club has made several improvements to their arena and it will be open for everyone to use. Cabins and camping are available for those wanting to spend the night. To be guaranteed a trail ride T-shirt, registration must be received by May 6. Jason Bontke has assured me that there are only a few rocky creek areas and **horse shoes are not required for this trail ride.**

The American Association Spring Round Up was this past month and we were well represented even though it was a wash out. Queen Christina and two teams from the Tip Top Riding Club attended despite the anticipated downpour. I understand they had fun even though the team playday was rained out.

We have very tuff young ladies in this association. Queen Christina rode barrels in the rain at the Spring Round Up and won. Mallory Cornett, at her district playday, was hit in the face by her horse. She fractured her left eye socket, both cheek bones and had bleeding on the brain. As she was being loaded into the ambulance she was arguing with the driver about which hospital she was being taken. She was released from the hospital the next day.

If we're lucky, this will be a busy month for all of us. Please attend and participate in as many of these functions as possible. The success of this association depends on your participation.

Well hello again. I hope that everybody is enjoying the sunshine. I know that I love this spring weather. It has been a long time since Texas has seen a real spring not to mention a true winter.

We have had two playdays now and they have gone pretty well. I hope everyone that took a spill at the last district is doing well. Lydia have you learned a lesson, will you check that saddle yourself from now on. I know B.J. has done a similar thing to me, I was just lucky not to hit the dirt. Let's just pray there are no more falls the rest of the season.

I hope to see you at the next District. Stay safe and in the saddle.

Hey everyone! Sorry about missing the last few months but I really didn't have anything to report. Not that I have that much to report this month either due to the continuing rain we keep getting. Someone needs to have a talk with mother nature and get the rain schedule worked out with our riding schedules.

Speaking of riding we were able to get our second District in at Cedar Hill. We did have a few spills that day but they are both okay.

Just a reminder of some upcoming events @ Joshua

May 1st - District 1 Playday - start time 10:00

May 8th - NARC & SP Parade and Drill Team Playday - start time 11:00
(please note that if the May 1st district gets rained out they will move the P&D Team playday)

May 22nd - Chisholm Challenge Benefit - start time 11:00

Also everyone remember that the yearly NARC & SP trail ride is coming up on May 29th. It will be held at Camp Crucis again this year. 10 o'clock start time.

If you have anything to report please just let me know, until next month.

District 8 News

District 8 Wrangler Bobby Nolen

Well we have a lot of news for the month of May everyone. So hold on to your hats as we get started with this months updates. This month of course started off with those great April showers so that pushed our play day to the following weekend 4-10-10. That day came and you couldn't have asked for better weather. However you would have thought it was the first play day of the year the way our horses acted with will all their bucking and carrying on. I for one was one of the ones that had one of the bucking horses. Scooter was really fresh and full of herself on the first event of the day which was Pylons. I stayed on for most of the ride till I saw the fence so I decided it was time to bail. I'm ok but still a little sore from that ride . I can tell you this for sure I will not be signing up for Saddle Bronc Riding any time soon! I like the idea of staying in the saddle rather than coming out of it. I would like to give a big hats off to Desire Casas her horse Sir decided to prance with her on poles and then went high oh silver with her. When Sir was doing all this she was able to keep her seat and stay in the saddle and keep her

cool! Way to Cowgirl Up !!!! Our team events were not as exciting this month but to say the least everyone stayed on and safe. Deb and Katrina went slow this month. What is wrong with them I did not know that either one of them knew what the word slow meant. !?!?!?! You two rode good and way to go on making your horses do it right. It was good to see Mary Little back with us this month. If I had not seen it for myself I would not have believed it that Spring can also actually go slow. Mary kept her at a trot all day and rode good being she is still healing from her shoulder surgery. Our fastest times in teams goes to Jeff Soule & Billy Amis in Ribbons with a time of 12.144. Our fastest time in Poles with the adults was Lesa Jordan with a 24.211. The fastest time in kids on Poles goes to Trina Keefer with a 23.878. Actually hats off to Trina Keefer she ran faster than the fastest adult. Way to run girl! The rest of the day went pretty good for everyone else. We made it through another fun filled day of riding ending it around 10pm with out any Care Flights being called out we know you are disappointed Colton.

Deb Keefer, Trina Keefer & Cheyenne Baxley
Concession Stand Helpers Are The Greatest !!!

Well as you can see we had a concession stand up and running again. The District 8 Royalty would like to thank all of those who have donated items for the concession stand this year. As well to all of those that have worked in the concession stand. It has been a really big success for them. Trina and Bobby would like to remind everyone that at our next district play day May 1st that we will not have a concession stand. Instead they will be doing a 50/50 raffle. The cost for tickets will be \$1.00 each or six tickets for \$5.00. They will also raffle off a fleece blanket that Deb Baxley made and donated. The tickets will be the same price as the 50/50 tickets. So remember that after the third event we will have a short district meeting then break for a short lunch so those of you that need to can run and get something to eat and bring it back or bring a picnic lunch.

Ashton Sanders

We would like to welcome our newest members to our family the Sanders! Glad you have joined us and hope you have fun making many fun memories with us!

District 10 News

Hi all!! Well I don't know about anyone else, but I'm SO EXCITED for all this warm weather we're having. To bad it only seems to rain on the weekend. A lot of our members have been very busy with different activities. The Mansfield Arena is looking GREAT!! Ya'll should all come out and ride with us at our next District playday on May 1st.

Terry Bird is the proud owner of a brand new stud colt born April 18, 2010. From what I hear he's got some long legs and a great build. I can't wait to see the little guy. Speaking of babies, Cutter and Hadley, the two infants of District 10 are growing like weeds. It won't be long until their moms and dads will be chasing them around the arena. Poor little Tiffany has been pretty sick here lately about the time she feels better the weather changes and she's got something else. Hope you feel better soon baby girl!!

Matt and I got to go to the AARC&SP barrel race and ran into Miss Christina Minasko our National Queen. We had a blast and ended up running in the rain. Matt decided he was ready for a faster horses so he ran my old faithful horse Priddy, unfortunately they hit a barrel but he stayed on and looked good. Prince and I had a great run, qualified but I don't think we won any money. Christina had a great run on Streak but I'm not quite sure if she won money. All in all it was a fun night, ran into some old friends and made some new ones. Thank you AARC&SP for allowing the National Association to come hang out!!

Until Next Time,

Katie Gray
